Letter from Rev Michelle Woodcock
Priest-in-Charge of the Beacon Team Churches

Dear Friends,

You may already know, that at the end of January I was privileged to be invited to attend a Clergy Consultation at St. George's House, Windsor. It entailed living, worshipping, working with other clergy and studying all within the grounds of Windsor Castle as a guest at St. George's House. I was one of twenty-four serving ministers from across this country, Scotland, Ireland and America who were invited to attend. Our consultation was entitled "Nurturing Wisdom; Nurturing our Growth as ministers." The conversations we shared remain private to our group, but I can certainly say for myself that although it was a very demanding week on every level, it was transformative and has encouraged me as I continue to serve as a Mission Community Leader here in the Beacon Team Ministry. The history behind the set up at St. George's House is very interesting, and more can be found on the website, if that sort of thing appeals to you.
www.stgeorghouse.org

Their overall vision is:

"To effect change for the better in our society by nurturing wisdom through dialogue."

They go on to say this... *"The values of the House are openness, honesty, trust and respect. People from all areas of society, holding diverse views, opinions and beliefs come here to debate freely. The art of consultation seeks to nurture Wisdom and open up the possibility of a different and better world."*

The Wisdom we seek to nurture affirms and encourages, questions and surprises. It searches out new possibilities and desires the best for all our people and our planet. It is forward-looking and free from contemporary idols. It fosters personal and community transformation. The practical result of such Wisdom is trust, equality, and peace.

It is Wisdom based on knowledge, understanding, good judgement and far-sighted decision making. It is Wisdom for our time."

I found my time there to be a real oasis. In a time when The Church of England is facing many challenges and trials on many different levels, it was encouraging to meet serving ministers who felt able to be so open and honest about their own challenges and who were willing to share wisdom, sometimes hard won, and embrace questions that helped us all consider how we might continue to lead as steady, faithful ministers, sharing the gospel & Good News of Jesus in an increasingly troubled and turbulent landscape.

In the book of Proverbs, there is a Proverb that says:

“Know also that wisdom is like honey for you: If you find it, there is a future hope for you and your hope will not be cut off.” (Proverbs 24:14)

It can feel difficult to find hope at times like this, but during the consultation I was reminded again of the commandment to

“Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength” and to *“Love your neighbour as yourself.”* Mark 12:30-31

There is wisdom in holding on to these simple, but complex truths as we journey through increasingly challenging times. How are we showing love to our neighbour? What simple ways can we help the places we inhabit become places where wisdom is nurtured, and love and kindness have chance to grow and flourish? What part does God have in all of this?

By wrestling with these, and other questions, we begin to take steps along the road to wisdom. Please pray for me as I continue to seek God’s wisdom in all that lies ahead and be assured of my prayers for you.

Blessings

Michelle

Beacon Team Lent Course “Christ has no body now but yours”

You are invited to join us on a course as we reflect on two key prayers. “Christ has no body but yours” attributed to St. Teresa of Avilla; and “God be in my Head”. These two prayers build on the central theme of the Church - us - as the Body of Christ. We will be exploring something of the characteristics of God and of the invitation to follow and work with God each day.

We will meet at Skelsmergh Vicarage from 7-8.30pm on Wednesdays: 12th March, 19th March, 26th March, 2nd April, 9th April and the course will end with a shared meal on 16th April.

Vacancy In See Prayer

Interviews for the next Bishop of Carlisle will be conducted on March 13th & 14th. Churches are asked to come together locally in prayer for the discernment process and 'prayer hubs' have also been set up which people are encouraged to visit. Our local hub is:

Kendal Parish Church – **Thursday 13 March from 7pm** and **Friday 14 March from 2pm** (half an hour on both days).

A Prayer for our new Bishop

Everlasting God, You have welcomed each one of us in Jesus and called us to be your people in this place. ;

Send us your Holy Spirit, and fill us with vision, energy and faithfulness in prayer, that we may be true to our calling to follow daily, care deeply, speak boldly and tread gently.

Guide us as we seek to discern who you are calling to be our new Bishop, that they may be a wise and gentle shepherd of your people, ready to serve us with joy, build us up in faith, and be a herald of your son, our Saviour Jesus Christ. **Amen.**

“I Made You Wonderfully”

*A service prepared by the WDP
Committee of Cook Islands*

*You are invited to join in
worship and fellowship
at your local church*

Place: Holy Trinity & St George
Church, New Road, Kendal

Time: 2pm

Kia Orana!

Our sisters in The Cook Islands welcome us and lead us for the Day of Prayer 2025. This group of 15 islands in the South Pacific Ocean has a rich and colourful Māori heritage and a deep connection to nature. Join with us as we pray together and reflect on the theme *‘I made you wonderful’*.

World Day of Prayer is an international, ecumenical organization which enables us to hear the thoughts of women from all parts of the world: their hopes, concerns and prayers.

The Day of Prayer is celebrated in over 120 countries. It begins in Samoa and prayer in native languages travels throughout the world — through Asia, Africa, the Middle East, Europe and the Americas before finishing in American Samoa some 38 hours later. A worldwide wave of prayer...

Through this day we are encouraged to:

Be enriched by the faith of Christians of other cultures

Share the burdens of other people and pray for them

Become aware of the whole world and no longer live in isolation

The Annual General Meeting was held on 29th January. It began with a Eucharist service led by Rev Jean Radley and with members taking part; the AGM followed, with Rev Jean chairing.

There were apologies for absence from Elizabeth Allison, Elizabeth Brassington, Jean Edmondson, Jean Shepherd, and Georgina Walker. Mary explained that Anne Young was poorly. The minutes of last year's AGM were read. There were no matters arising.

Mary gave the Branch Leaders report. Membership currently stands at 22. It should rise soon to 25. We have two indoor members who are contacted regularly. In September we celebrated Kathleen Vines' 71 years of membership, and in November her 100th Birthday. An amazing achievement. We were sad to note that Joyce Wightman passed away during the year. She had been a very loyal member for many years.

We have had some excellent speakers and have also enjoyed a meeting at Grayrigg. Our Summer outing was to our Liverpool Diocese Link Branch, St Luke's at Orrell; this was an excellent day. We were welcomed by Jane and her members. The service was on the theme of celebration, following which we enjoyed afternoon tea with lively chatter and fellowship.

Members attended services at Holme Mothers Union, a sharing day at Preston Patrick, which was very interesting and thought-provoking, and also the Advent Service at Staveley MU.

Mary ended her report by thanking everyone for their love and support over the last year – Eileen, Judith and Vivienne, all committee members, and Rev Jean.

Judith then gave her report, which was fairly concise so as not to repeat a lot of what Mary had already said. She also explained that due to family circumstances she wished to resign as Secretary.

Treasurers Report – Eileen said the finances were in good order. She is willing to continue as Treasurer. Rev Jean thanked both of them for their reports and hard work.

The meeting was very appreciative of Mary's agreement to continue as Branch Leader. Following Judith's resignation as Secretary, Helen agreed to be the contact person for emails. Sue said she would help with typing. All other Committee members agreed to continue. Rev Jean thanked everyone for their help and support.

There was no other business.

February 1st was the occasion of the Triennial Service at Kendal Parish Church with Anne Wodeman becoming the Diocesan President. Seven members from our branch attended, enjoying the service and fellowship afterwards.

Upcoming Meetings:

Wed. 26th March - "Open the Book" with Helen.

Wed 30th April - *Lay Ministry* with Ian Wilson

Please come and join us, all are welcome.

The Whole Easter Story – Why the cross is good news for all creation

by Jo Swinney, BRF Lent Book **£9.99** **£7.99**

In this Lenten journey, Jo Swinney explores the impact of the Easter story on God's relationship with creation. Through Bible readings, reflections and stories from A Rocha's global conservation efforts, discover how the cross transforms not just our own individual connection with Jesus, but also our relationships with each other and our world.

In Quietness & Trust – Lent devotions from the beatitudes By Matt Searles, **£6.99** **£2.99**

Early in His ministry, Jesus gave His followers a description of how He wants His people to live. Rather than seeking to ascend to God, Christian discipleship is a downward flourishing; a counter-cultural way of blessing. These 40 devotions, with a daily reading and short reflection, will guide you through the beatitudes Jesus gave in the Sermon on the Mount. This Easter, join Jesus on His path to the cross, and see that His way – though so different to the way of the world – leads to freedom, joy, and life.

Jesus Listens for Lent and Easter – Prayers for the Season By Sarah Young, **£12.99** **£10.99**

This inspirational devotional prayer book for Lent and Easter will be helpful for anyone looking for peace and forgiveness, and for any families want to cultivate a tradition of Lenten prayers and devotions together.

It has prayers, reflections, and Bible verses based on Jesus' life, as well as stunning spring and Easter season illustrations.

Understand how prayer connects you to God, helps you seek forgiveness, and brings you the inexpressible joy and freedom of knowing that Christ has risen!

These are just three of the books on special offer from South Lakes Christian Resources. Lynne has a copy of each in the Team Office . Come in and pick up a brochure.

Goma Appeal - £1,000 Donation

Members of the Diocese's Partnership in World

Mission committee have agreed a £1,000 donation

from their disaster emergency fund in support of Church Mission Society's work in Goma, Democratic Republic of Congo.

In the past few weeks, violent conflict has engulfed the area of Goma. As rebels have closed in and taken over the city, and thousands of people have been displaced. CMS's partners report that women have been brutally attacked, basic supplies are dwindling and that children everywhere are fearful and traumatised. Aid partners are mobilising to provide basic necessities like food, soap and blankets as well as trauma support. They have the connections to deliver this quickly, with your help.

Top Thorn Farm

The idea for my Young Adult novel published a year ago, had been brewing within me for some time.

When working as the librarian in a rural secondary school, I couldn't help noticing the lack of farm-themed fiction aimed at teenagers. This was before *Clarkson's Farm* came to TV screens, although of course these stories were intended for adults. In my school, students in years 7, 8 and 9 were required to read a fiction book during their weekly library lesson and I would sometimes be approached by frustrated youngsters complaining about the lack of stories relating to their own life experience. They wanted to read about driving tractors and quad bikes, lambing and working with sheepdogs.

Several years later, I wrote *Top Thorn Farm*, setting it in an imaginary farming community in the South Lakes. Use of local names is for authenticity but bears no intended connection to individuals. Dialect speech is used. I also planned it to be dyslexia-friendly. Upon an author friend's recommendation, who is also an ex school librarian/English teacher, I approached an editor who took me through the process of producing a book for publication. I am grateful to both.

My main character is in his last year at school and would rather be driving a tractor on his family farm than having to prepare for his GCSE's. He has to accept however, small hill farms struggle and the future he'd envisaged for himself isn't going to happen. A farm accident, an outbreak of bovine TB, storm damage and the conflict of school life and home contribute to his self-discovery.

The sequel *Finding* set 2/3 years later, will be published late February or early March 2025.
